

KELSET ELEMENTARY School Supplies

2022/2023 School Year

IF YOU WISH, YOUR TEACHERS WILL DO THE SCHOOL SUPPLY SHOPPING WITH YOU!

Hello Parents/Guardians,

KELSET Staff and the Parent Advisory Council (PAC) have partnered up again to outfit our classrooms with school supplies for the 2022-2023 school year.

The cost of this program for students in Grades 1-5 is \$45.00. **NOTE:** Kindergarten has a slightly different cost and details will be communicated separately, if not already provided in the orientation materials.

What kind of supplies will my child's teacher purchase? Supplies included in this program consist of pencils, duo-tangs, markers, pens, glue, scissors, notebooks, etc.

Does my child need to bring any supplies to school? No, but some students choose to bring their own pencil box or some special supplies (pencils or markers).

Is this program mandatory or can I choose to purchase supplies for my child? This program is optional. If you prefer to purchase your own supplies, please check with your classroom teacher about the supplies your child will need.

When and how can I pay the \$45.00? Starting today, payment can be made by either Cheque or e-transfer. Please include *your child's full name with payment* as those made without a student's name will not be accepted.

CHEQUE: Submit to your child's teacher with your child's full name, made payable to KELSET PAC.

E-TRANSFER: Submit to KELSET PAC (kelsetpacfundraising@gmail.com) with your child's full name.

If school supply purchase presents a financial hardship to your family, please inform your child's teacher, Ms. Tassie Harris or Ms. Krista Hale.

If you have any further questions, please let us know by way of contacting the school office, your child's teacher or the KELSET PAC.
