

We wanted to remind everyone that at KELSET we offer a unique program where the teachers do the school supply shopping for you, and this program is a GO for September 2023!

Here are some of the benefits:

- ✓ Teachers buy what they like for their classrooms and can access bulk buy options with teacher discounts
- ✓ Kids get the same supplies as their peers
- ✓ Parents avoid lining up in busy stores or hunting for an odd-coloured duotang that was specially requested

If you have a child in **Kindergarten OR Grade 1**, their school supply fee will be **\$45**.

For Grades 2 thru 5 we are now bundling their agenda cost in with their School Supply fee. For **Grade 2, 3, 4 or 5 students**, we will collect **\$50**.

In September you will be asked to submit payment online,
<https://saanichschools.ca/resources/studentsfamilies/pay-school-fees-online>.

 In addition to this fee, your teacher may ask you to purchase or bring in a pencil case or other small items. Please check with your new classroom teacher in September.

Can I opt out?

This program is NOT mandatory, however it is only successful if we have a high participation rate. If this amount is a financial hardship for your family, please speak to Tassie Harris (Principal) or Nadia Piasentin (Vice Principal) as financial support is available. For those wishing to use existing supplies, or who were gifted supplies over the summer, please check with your classroom teacher in September to see which supplies may be useful. It's likely a full classroom set will have been purchased before school starts but you may be able to use some of your own supplies. 🍎

Enjoy your summer break, and don't worry about school supply shopping in August!

Thank you for your support!

At KELSET our teachers do the school supply shopping for you!

Here is how it works:

- Teachers buy what they like for their classrooms and can access bulk buy options with teacher discounts
- Parents pay a flat rate of \$45 for supplies (Grade 2 thru 5 add \$5 to cover Agenda Fee)
- The teachers are reimbursed for what they have spent

Return this form to your teacher as soon as possible to help track payments

Online payment is preferred but cash or cheques (payable to School District 63) are accepted if necessary.
